

Technical datasheet.

Product: Inlet profile IP18 – IP25

Natural coloured profile for safe vacuum infusion of composite constructions.

- ✓ Reduced pressure marks
- ✓ Increased capacity
- ✓ Decreased resin consumption by choice of size

Dimensions:

Ø18/21mm or Ø25/29mm x 2,00m length

Packaging according to pricelist

Temperature resistance

110 degr.

Material information:

PP natural colour high modulus quality

Material: insoluble

Storage: ambient conditions

21-03-17
