

Technical datasheet.

Product: Sealer 100H black

Description:

Black butyl based sealent tape for vacuummoulding proces.

Dimensions:

2,8 x 9.5mm 15 per roll

30 rolls / box

24 boxes / pallet

Temperature resistance

110 degr.

Product information:

Density: 1,45 +/- 0,1 g/m³

Penetration ISO 2137 (20degr.C 100g needle) 75 +/-8 1/10mm

Material: insoluble

Storage lifetime: 1 year

Colour: black

24-02-14
